**Covid-19 precautions for the AVETH general assembly**

**Zürich, 09.03.2020**

Dear AVETH member,

Thank you for participating in the AVETH general assembly. To minimize the risk of infections, we'd like to remind you of some general precautions:

- **Don't shake hands.**
- **Disinfect your hands at the entrance.**
- **Keep some distance to the best of your abilities.**
- **Cough and sneeze into a tissue or the crook of your arm.**

### **At risk for Covid-19?**

- **If you are coughing, don't participate.**
- **If you have a fever now or had in the past 14 days, don't participate.**
- **If you have been to Italy, China, Korea, Japan, Iran or any other area with many known Covid-19 cases in the past 14 days, don't participate.**

Similarly, we suggest that members with compromised health should not participate. The next general assembly will already take place at the beginning of the autumn semester.

As a member, you are entitled to participate in the general assembly. However, these are extraordinary circumstances and we think that the health of our colleagues is more important than the AVETH GA.

Contact [martin.roszkowski@hest.ethz.ch](mailto:martin.roszkowski@hest.ethz.ch) if you have any further questions about the GA or the precautions.

Kind regards,

Martin Roszkowski

On behalf of the AVETH Board
